ÉDITO

Dear friends, dear partners,

It is with great pleasure that I present to you this new edition of the Union des Grands Crus de Bordeaux guide. It reflects the richness and diversity of our community. Our Union brings together emblematic actors of the Bordeaux vineyard, each contributing to shine a spotlight on our region at both national and international levels.

This guide aims to better introduce our members, their expertise, their passion, and their commitment to excellence. Behind each name lies a story, a tradition, an innovation, but above all a shared desire to perpetuate the spirit of excellence that characterizes Bordeaux. Whether you are professionals, enthusiasts, or simply curious, you will discover here the richness of our terroir, the diversity of our styles, and the quality of our productions.

Our Union is not only about promoting our wines; it also embodies a spirit of conviviality, sharing, and solidarity. Together, we work to showcase the greatness of Bordeaux while respecting its values of authenticity.

I invite you to explore this guide with passion and curiosity, in the hope that it will inspire you as much as it unites us. Thank you for your continued trust and support.

Long live Bordeaux, long live the Union des Grands Crus de Bordeaux!

François-Xavier MAROTEAUX
